

Criteria to Join MSTS:

An MSTS recognized fellowship is one that:

1. Is directed by a member in good standing of the MSTS.
2. Adheres to the MSTS curriculum guidelines
3. Participates in the SF match

Eligibility in the MSTS is contingent upon:

1. Completion of a total of one year post residency clinical training in Musculoskeletal oncology (it can be from more than one program)
2. Completion of a MSTS recognized fellowship in the United States or Canada, or completion of equivalent training outside of North America. For those whose fellowship is outside of North America their acceptance into membership will be at the discretion of the membership committee.
